ELEVENTH ANNUAL CONVENTION OF YOUNG JUDEA.

At the eleventh annual convention of Young Judea held at Long Branch New Jersey, last week, it was decided to take steps to expand Young Judea into an international league of the Zionist Youth. A resolution to that effect was introduced by Mr. Emanuel Neumann, Educational director of the Zionist Organization, who stated that Junior Zionist societies, similar to Young Judea Clubs in this country were in existence in Canada, England, Norway, Germany, Egypt, and in other countries. The resolution was seconded by Mr. Joseph, delegate from Canada, who had come to attend the Young Judea Convention as the representative of the Young Judea Federation of Canada. A special Committee on International Young Judea will be appointed, whose duty it will be to further this project during the coming year.

That the American Young Judea was prepared to take the lead in an international movement of the kind described above was proved by the Annual Report of the Executive Committee, presented by Mr. Samuel J. Borowsky, Secretary of Young Judea, which stated that during the past year the Organization had grown to a total of 715 clubs, with an enrolled membership of 15,000 boys and girls.

The closing session was devoted entirely to business. The constitution of Young Judea was amended in conformity with the new relation between it and the Zionist Organization of America. Among the resolutions adopted were the following:

(1) To send a message of loyalty and gratitude to President Woodrow Wilson.

(2) To reaffirm the allegiance of the Young Judea movement to the leader of American Zionism, Justice Louis D. Brandeis.

(3) To further the establishment of an international Young Judea movement.

(4) To urge the convention of American Zionists, which will be held in September, to provide for a per capita tax on all the members of the Zionist Organization, for the purpose of supporting educational activities in the Zionist Districts.

(5) To recognize the work of supervision in Young Judea as a function of the National Organization.

Election took place with the following results:

Dr. D. de Sola Pool, President.
Mr. Chas. A. Cowen, Vice-President.

ANOTHER REASON FOR THE WAR.

A million reasons, good and bad, wise and foolish, have been advanced for the great war. A Texas preacher says that the Jews were the cause of the war. And he figures it out by proving that the Bible prophecies that the Jews were to be regathered in Palestine before the second coming of the Galilean messiah. The Jews therefore had to get Palestine, and the only way for them to get it, was to get the Turk, and his friend, William, out of the way. No wthis has been done, Palestine will be given to the Jews; they will see their mistake, become Christians, then Jesus will appear, and all earthly ills will vanish.

Now we have another reason for the war—and it is just as good as some we have heard. It is as follows:

Ever since we have been old enough to remember, we have heard the despicable word "kike." We still hear it. As we understand the term, it is used by Jews of German and Hungarian origin to refer to Jews of Russian and Polish origin. We understand also, that the word is used by some Jews to refer to others who are not so rich or socially elite. At any rate the first use is the most general one. Now we asseverate, that this war came about, in order to give the Jews of Russian and Polish decent or origin, a "come-back" to those who call them "kikes." Out of this great war the word "hun" was born.

Now then a German Jew calls a Russian Jew a "kike," all that the Russian Jew has to do, is to call him a "hun," and there you have it, the score is evened up.

Now dear reader, which would you rather be called, a "kike" or a "hun."

GENERAL GREGORYEV MASSACRED JEWS—ENGLISH MINISTER ADMITS.

London: (By I. J. P. B.) In reply to inquiries made in Parliament, the English assistant minister of Foreign Affairs, Cecil B. Harnsworth, stated that it is true that many Jews lost their lives in the operations between the Russian Bolshevik and the Ukrainian anti-Bolshevik armies under General Gregoryev. This General Gregoryev, Harnsworth admitted, is reported to be very anti-Semitic.
